

## Wall Shelves -- Slanted

The slanted design of this wall shelf prevents water from pooling, therefore dries faster. The t-bar design also allows water to drain through shelf, keeping things dry.

### Material:

- **Frame** is constructed of 1 1/4" x 1 1/2" x .070 wall extruded aluminum tube.
- **Shelves** are constructed of 1 1/4" x 2 1/4" x .100 wall extruded aluminum T-Bar with 1 3/4" spacing.
- **Lip** on three sides is constructed of 1/8" x 1 1/2" strap.
- **Mounting angle** is constructed of 1 1/2" x 1 1/2" x .188" wall angle.

### Guarantee:

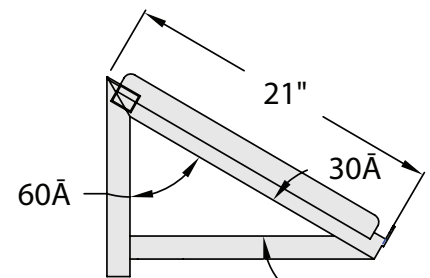

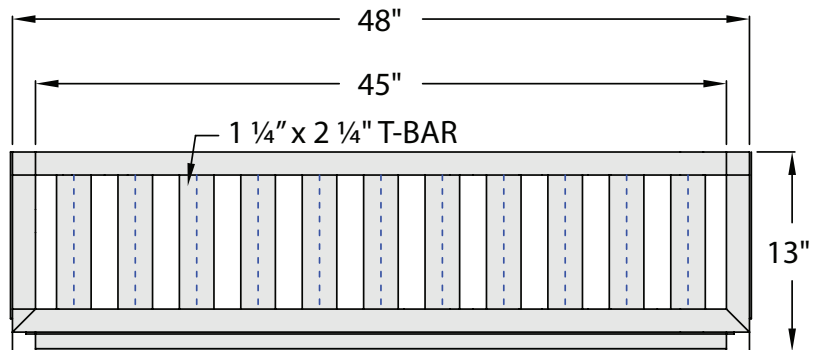

- **Lifetime Guarantee** against rust and corrosion.
- **Five-Year Guarantee** against workmanship and material defects.
