

Narrow Stock Truck | 53313A

NEW!
2-Shelf
Options

Capable of holding five hand truck loads worth of product, this versatile picking cart comes equipped with several features to maximize efficiency!

Perfect for picking operations, this narrow cart easily maneuvers through tight spaces without blocking aisles.

- The solid deck and shelves are smooth and allow boxes and totes to slide for effortless loading and unloading.
- Outfitted with heavy duty casters, the polyurethane tread provides additional control and a softer, quieter ride. The six wheel configuration provides a zero-turn radius to easily maneuver through tight corners and crowded spaces.
- **Customizable!** Contact us for a quote.

Shown with
Akro-Mils Nest & Stack Tote #35190
19½"L x 15½"W x 10"H, Blue

53313A

Shown with two, 53313RS shelves; **Sold separately.**
Dimensions = 20"D x 64⁹/₁₆"H x 66³/₄"L

Once installed, each shelf grants roughly **five inches of shelf clearance** so users can easily access or identify items within the totes.

! Open deck area of 62" accommodates four 15" x 20" stack and nest totes across the base.

Provides enough space for twelve picking totes, but easily folds down and stores on end – consuming less floor space than a stack of picking totes

- Easily folds down and latches to store on end.

Drop On Shelf - Sold Separately
53313RS - Removable Solid Shelf

Dual handles allow the cart to be controlled from either end and provide the upright framework that allows the removable shelves to drop-on.

- Once installed, each shelf grants roughly **five inches of shelf clearance** so users can easily access or identify items within the totes.

Shown with **ONE** 53313RS

Shown with **TWO** 53313RS
