NARROW AISLE PICKING CART

Capable of holding five hand truck loads worth of product, this versatile picking cart comes equipped with several features to maximize efficiency! Perfect for picking operations, this narrow cart easily maneuvers through tight spaces without blocking aisles.

[812MV8](#)

Narrow Aisle Picking Cart

Grainger No.	Supplier No.	Size W-H-L	Deck Size	Weight Capacity	Ship Lbs.
812MV8	53313A	20" x 64 $\frac{9}{16}$ " x 66 $\frac{3}{4}$ " (Unfolded) 20" x 14 $\frac{5}{16}$ " x 66 $\frac{3}{4}$ " (Folded)	20" x 62"	1500 lbs.	80
Removable Solid Shelf - Sold Separately					
812MV9	53313RS	18 $\frac{3}{8}$ " x 1 $\frac{1}{4}$ " x 66 $\frac{3}{4}$ "	n/a	n/a	30

Four 5" x 1 $\frac{1}{4}$ " plate type swivel casters and two 6" x 2" plate type rigid casters.

Stores on end, requiring minimal storage space.

[812MV9](#) - Sold Separately

Dual handles allow the cart to be controlled from either end and provide the upright framework that allows the removable shelves to drop-on.

[812MV8](#) shown with two [812MV9](#) sold separately

- Once installed, each shelf grants roughly five inches of shelf clearance. Users can easily access or identify items within the totes.

NEW LISTING!

ERGO STANDS

Leveling Associate Height

NEW AGE
INDUSTRIAL
NEW AGE

**NEW
LISTING!**

Problem: Many workplaces, such as fulfillment centers, meat processing facilities, commercial kitchens, and assembly lines, require employees to work side-by-side at work areas that are set up at a uniform, non-adjustable height; Yet the workers vary in stature.

Solution: New Age Industrial developed **Ergo Stands** to level the height differences among employees at shared workstations. Ergo Stands are solid, fully welded aluminum steps with aggressively punched tops for traction and a cutout carrying handle for easy transport.

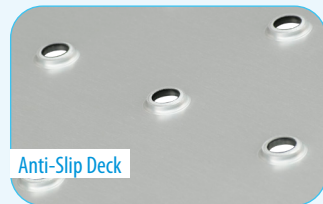

These stands are available in heights ranging from 1-to 8- inches and has a spacious 24"W x 20"D deck. Associates can select their preferred Ergo Stand, then easily position the stands in front of a workstation. When used, Ergo Stands elevate employees to a comfortable working height to utilize and ergonomic working position, or reduce slips and falls in environments with wet or slippery floors.

816V63

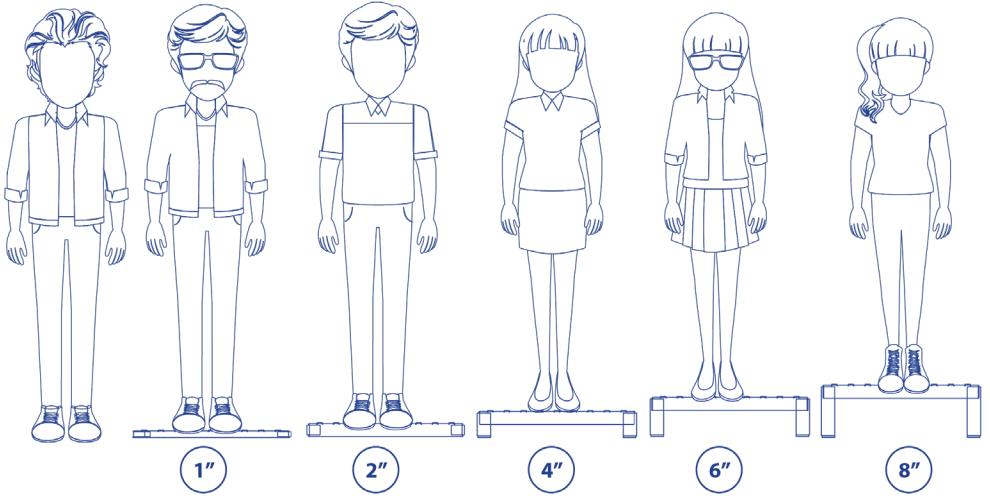

Cutout Carrying Handle

Anti-Slip Deck

These lightweight aluminum raised platforms help level the height differences among employees, providing a safe and comfortable work height for everyone.

- Handle grip makes it easy to clean and store in a personal locker.
- Anti-Slip raised tread, perforated top, has 3" O.C. Spacing (Disrupted elevation = 3/16").
- All Aluminum, Guaranteed Rust Free!
