

Hand Truck Accessories

50172 | Curb / Threshold Ramp

Negotiating curbs and thresholds with hand trucks that are carrying heavy loads has never been easier. Lightweight Threshold/Curb Ramps provide a smooth transition from 2" to 7".

2" x 5" Cut-Out For Carrying or Hanging

Ramps weigh 16 pounds but can handle a load capacity up to 750 lbs. Oval cutout allows you to store and carry the ramp with ease.

All welded aluminum construction – Guaranteed rust free for as long as you own it.

Anti-Slip Traction Tape

1 1/2" Safety Rail

Angle Stops

Model No.	Size W-H-L	Weight Capacity	Ship Lbs.
50172	27" x 27" O.D. 26-1/2" x 27" I.D.	750 lbs.	16

99627 | Hand Truck Pallet

The perfect solution for optimizing efficiency and product protection during route deliveries. Labor saving pallet allows movement of product without loading and unloading.

Designed to be used with a hand truck, these pallets effectively reduce damage to products by isolating them from sharp nose plates. Ideal pallet height leaves a gap between the floor and the pallet interface - Providing easy loading and unloading while minimizing floor damage.

Keeps Product Off The Floor – Minimizing Damage.

Distributes the weight evenly, preventing any potential imbalances or stress points during transport.

Model No.	Size W-H-D	Weight Capacity	Ship Lbs.
99627	21" x 1 1/2" x 15 1/2"	750 lbs.	3

Nose Plate Opening = 18-1/2"W x 3/4"H
Custom sizes available.
