

Home Run

This award-winning design was created by the Child Nutrition team at Fulton County Schools in Atlanta, Georgia, under the direction of Alyssia Wright, Executive Director of School Nutrition, with the assistance of Claudia Harry, New Age Industrial's factory representative with The Hansen Group.

Scrap and Stack

Scrap...

Simply roll the unit in place and scrape leftover food, through the cutout in the solid top, into the scrap container below.

And Stack.

Steam table pans are stacked, two wide, and contained within the top rail. Sheet pans are stacked just below the top deck along with a removable soiled utensil container.
