## Tray Drying Rack - Adjustable

These racks conveniently stack pans and trays for drying without contact, allowing air to circulate freely for faster drying and to reduce pan-to-pan contamination.

- Upright posts are 1 5/16" diameter pipe.
- Framework for shelves is constructed of 1 1/2" x 1 1/2" x .070" wall tubing.
- Tray guides are constructed of .090" thick angle that are ideally spaced on 1 1/2" and 2 3/4" centers.
- Equipped with four, 5" platform type, swivel casters.
- Five-Year Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
- NSF Certified.
